

# Senior Club

As a member of the Senior Club, I will:

- Respect and follow instructions of all PACC Leaders
- Be respectful of other club members
- Set a good example for the younger children
- Respect decisions made when the club votes
- Take care of all equipment
- Positively represent PACC when on excursions
- Keep myself and other club members safe

I understand that if I do not meet these expectations I will lose some or all of the benefits of the senior club. I agree to do 'Community Service' (something that helps PACC, it's staff and the other children) before I regain full membership of the club.

Sign below if you understand and agree to the responsibilities of Senior Club members.
